According to the rules of ISAZ, Student Affiliate applicants must provide proof of student status with their application, and must substantiate continued student status each year at renewal time.

Student status can be substantiated by submitting one of the following:

- Copy of current student ID card;
- Copy of current semester's course roster;
- Letter from Dean, department head, or mentor written on university letterhead

Student Affiliates receive all of the benefits of ISAZ membership, but they do not have voting rights within the Society.

Graduating students are encouraged to apply for Individual Membership or Affiliate status, as appropriate.

Please include my contact information and research interests in a directory distributed only to other ISAZ Members and Society Affiliates (check one):

Failure to check a box will result in your being omitted from the directory.
